1.2 Samsung s23 ultra

Apple iPhone 14 Pro Max vs. Samsung Galaxy S23 Ultra ...The intricacies of image quality aside, the Galaxy S23 Ultra is objectively the more versatile ²camera phone. While the 14 Pro Max has three cameras - a standard one, an ultrawide, and a 3x zoom telephoto, the S23 Ultra tops that with a 10x periscope camera, so you get one extra focal length

Samsung Galaxy S23 ultra

¹ Feature : a distinctive attribute or aspect of something

² Versatile : able to adapt or be adapted to many different functions or activities.

2. Which guitar should you buy ?

Both are good to use and the camera is similar in quality, but the price of samsung is up to \$ 100 more than the iphone. However, the iphone and samsung are still very popular and will have a nice appearance that makes it lots of interest from customers in the world. And I phone have sold 26.09 million units. samsung Galaxy s23 ultra have sold 1.65 million units.
